# ACKNOWLEDGEMENT

First and foremost, I would like to thank the Almighty God for His endless love and guidance.

I take this opportunity to express my profound gratitude to the UGC for having provided me with the fund without which this Research Project would not have been possible.

I am deeply indebted to a large number of college teachers and college librarians who are working in different colleges in Kerala.

With sincere gratitude I acknowledge the guidance and encouragements given by the Principal, Nirmala College, Muvattupuzha, my colleagues and friends.

Vasudevan Namboothiri K.R.
