ACKNOWLEDGEMENT

First and fore most I would like to thank beloved God for his endless love and guidance.

I take this opportunity to express my profound gratitude to the UGC for having provided me with the fund without which this research project would not have been possible.

I am deeply indebted to a number of libraries among which Kerala University Library, Thiruvananthapuram, Centre for Development Studies, Ulloor, and the School of Gandhian Thought and Development Studies, M G University, Kottayam deserve special mention.

I also express my sincere gratitude to the officials of PHCs of Poothrikka, Avoly, Maramady and Okkal and also to the residents of these panchayats for their sincere cooperation.

I owe my thanks to the principal Nirmala College, Muvattupuzha, colleagues, family members, and all my friends for providing me all the facilities and encouragement for carrying out this study successfully.
