## ACKNOWLEDGEMENT

I am grateful to the University Grant Commission (UGC), New Delhi for giving me this opportunity and providing funding during the course of this project.

I acknowledge my thanks to Prof. Sherin Mathew G. Head, Department of Computer Science for his invaluable guidance and encouragement.

I express my sincere gratitude to officials from Animal Husbandry Department, Dairy Development Department, Kerala Livestock Department, and various milk societies

I extend my gratitude to all rural women who supported me with lot of valuable information. Without them I can't complete this project successfully.

I am thankful to Dr. T. M. Joseph, Principal and Management of Nirmala College for the permission and timely support to undertake this project.
