ACKNOWLEDGEMENT

I thank God Almighty for his blessings rendered to me that enabled my labour to be fruitful and allowed me to complete this dissertation.

I would like to express my sincere gratitude to my guide **Mr.Durairaj Rajiah**, M.Sc., M.Phil, Lecturer, S.S., Department of Botany, whose patient supervision enabled me to bring my research to a successful completion. I am extremely privileged to have had the rare opportunity of working under his guidance and I humbly acknowledge my great indebtedness to him.

I sincerely thank **Prof.Dr.Jeyasingh**, Head of the Department of Botany, Madras Christian College, for permitting me to undertake this work.

I also wish to thank **Dr.Livingstone** for his whole hearted assistance and encouragement, and **Dr.Selvaraj** for having allowed me to use certain equipments whenever the need arose. Further, I would like to thank other staff of the Botany Department without whose constant help and support this dissertation would not have been completed.

I would like to take this opportunity to gratefully acknowledge the **Rev.Sister Provincials**, Superiors and sisters of my congregation whose encouragement and prayers helped to make this research possible.

Others who deserve special thanks are my friends **Miss. Sunitha Susan**, **Miss.Juleeyana**, **Mr.Balasubramanian**, **Mr.Bala Murali Krishnan**, **Mr.Anand**

and **Mr. Christopher**. My special thanks are due to **Miss. Ruth Vanitha** who helped me in bringing out the manuscript.

Last but not least, I thank all the nonteaching staff who contributed towards the completion of this thesis in one way or other.
